### FOR TEACHERS & PARENTS

**Skill:** Bilateral coordination and scissor control.
**Goal:** Child cuts along a path from left to right, turning the page only when needed.
**Tip:** Use child-safe scissors. Show a thumbs-up grip. Sit beside left-handed children so the path is not covered.

Free for home & classroom use. Not for resale.

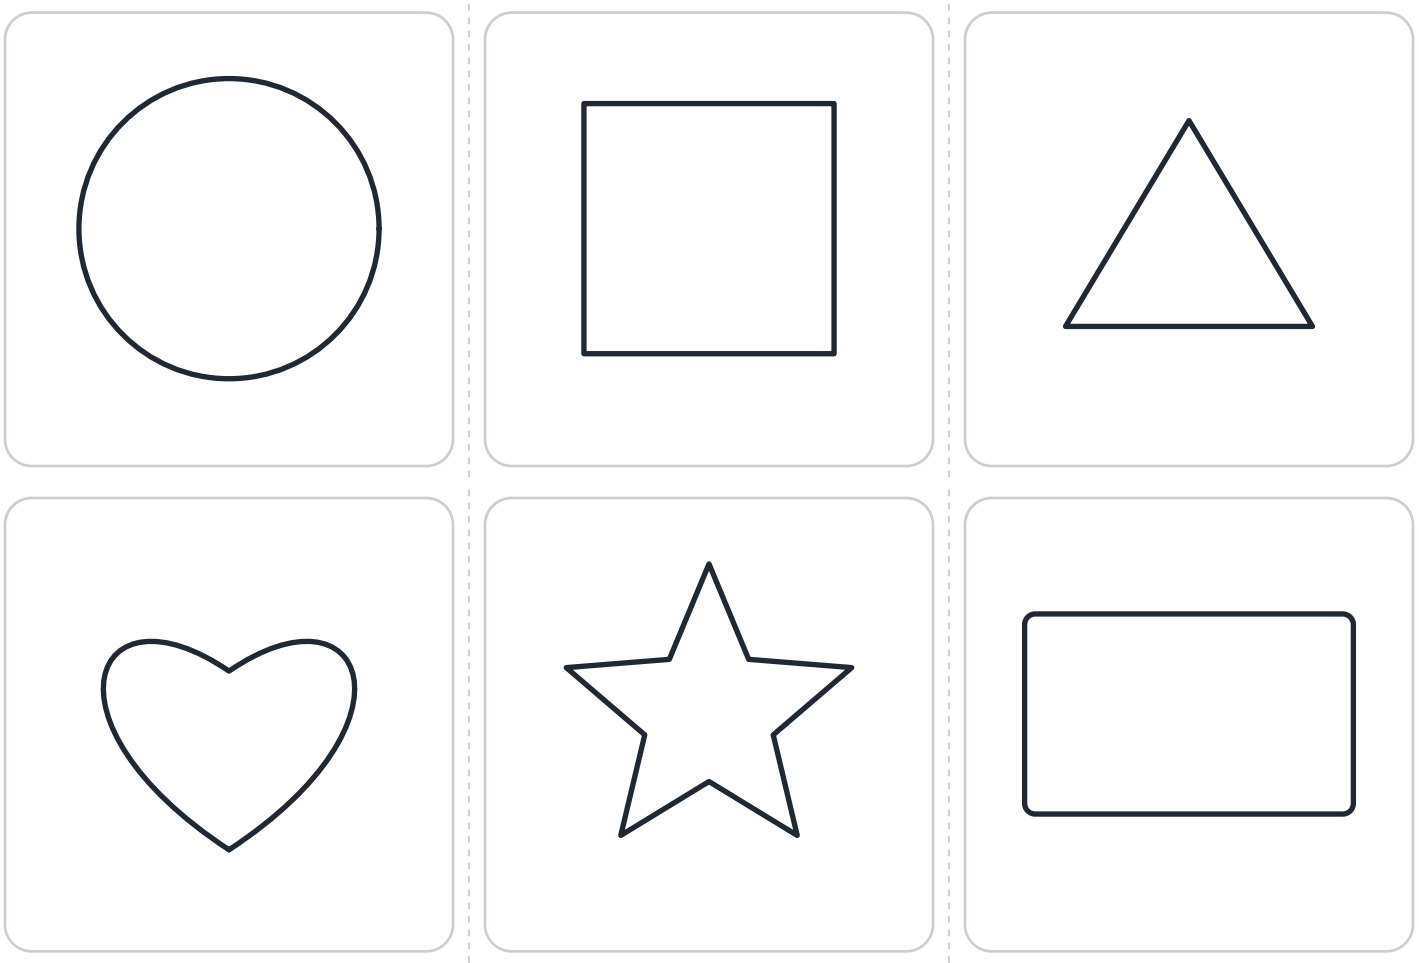
# Cut Out the Shapes

## 2 Cut around each shape. Then color it.



### FOR TEACHERS & PARENTS

**Skill:** Cutting around a simple closed shape; shape recognition.
**Goal:** Child cuts out at least three shapes and can name circle, square, and triangle.
**Tip:** Remind children to turn the paper, not the scissors, when they go around a corner.

Free for home & classroom use. Not for resale.
