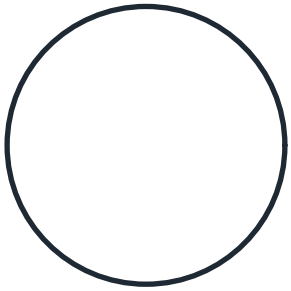
Name _____ Date _____

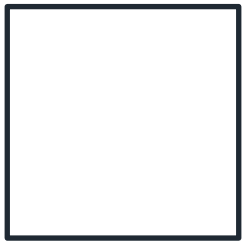
Shape Cards to Name and Find

Say the shape. Then look around the room for something that matches.

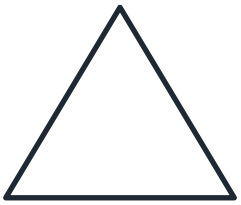
1 Cut out the shape cards



circle

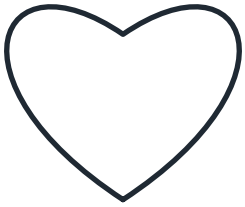


square

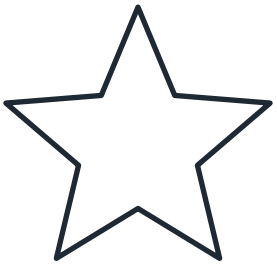


triangle

rectangle



heart



star

FOR TEACHERS & PARENTS

Skill: Basic shape names and visual matching.

Goal: Child names circle, square, and triangle, and can find a real object for at least one shape.

Tip: Start with three shapes. A clock or plate is a kind circle; a book can be a rectangle.

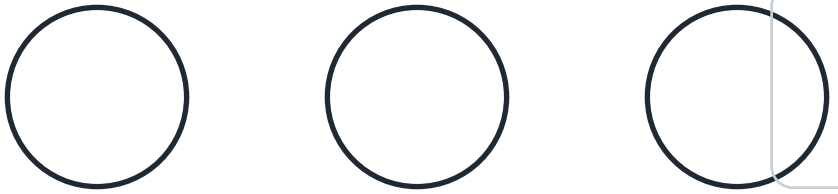
Free for home & classroom use. Not for resale.

Name _____ Date _____

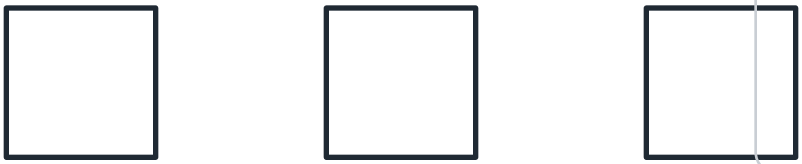
Trace the Shapes

2 Trace each shape. Then try one on your own.

circle



square



triangle

rectangle

FOR TEACHERS & PARENTS

Skill: Shape tracing and name recall.
Goal: Child traces circle, square, triangle, and rectangle, then draws one shape independently.
Tip: For circle, remind them to start at the top and come back to the starting point.

Free for home & classroom use. Not for resale.
